	2013-14	2012-13	
Profit before tax	140.84	107.74	31%
Profit after tax	105.29	84.93	24%

The company achieved robust operating performance during the year, with net operating revenue growing by over 17% over the previous year. The profit before exceptional item and tax at Rs. 158.49 crores registered 47% growth over the previous year. The profit before tax and profit after tax of Rs. 93.99 crores and 68.43 crores respectively were lower over the previous year due to exceptional payment of Rs. 64.50 crores made during the year.

The sales in domestic formulations business at Rs. 322.92 crores registered growth of 16% against industry growth of 10% during the year. The consolidation efforts initiated a few years back have started showing results. The company plans to continue to pursue focus on harnessing the potential of the existing products basket, selective new product launches and increase in productivity. The company is fully focused on this business which has significant value potential. The contrast media products sales in domestic market registered growth of 25%.

The formulations exports at Rs. 464.21 crores registered growth of 15% over the previous year. The exports to Global markets (other than Russia-CIS) at Rs. 299.69 crores registered growth of 36% in Rupee terms, while the sales in Russia-CIS region at Rs. 87.87 crores were lower over the previous year. The company continues to invest in this market keeping in view its potential. On Global market side, the company continues to focus on development of contract manufacturing business as well as growth of niche branded and generic formulations in these markets.

The API business at sales of Rs. 99.33 crores achieved growth of 60%.

The company sold a large and profitable Russia-CIS OTC business in July 2011. It's truly heartening to note that the company has managed to reach the same level of profits within a period of about 3 years. The company is committed to value creation and channelizes its efforts and resources accordingly.

The investors may be aware that Cilag GmbH International ("Cilag") raised certain claims under transaction documents in relation to sale of Russia-CIS OTC business undertaken by the company in July 2011. The company had disputed these claims. However, keeping in view ongoing business relationship and in order to avoid cost and delay of arbitration, the company and Cilag mutually settled these claims pursuant to the Settlement agreement. Accordingly, the transaction consideration received earlier was reduced by Rs. 64.50 crores, which sum the company paid to Cilag in July 2013 out of the Escrow account.

Dividend:

The board of directors has recommended a dividend of Rs. 3 (150%) per equity share of FV 2. This together with dividend distribution tax will absorb Rs. 29.75 crores.
